

Did you know?

Installing the vehicle mounted Telstra Go Repeater allows customers to benefit from an additional 10,000 kilometres of 4G coverage along some 60,000 kilometres of national highways and roads.

For more information about Telstra's coverage extension devices go to:

 www.telstra.com.au/regionalaustralia

We have a range of network coverage extension devices for vehicles, home and office. As a valued AgForce member, Telstra is pleased to offer you a product discount on three of our network extension devices:

- \$50 off the Telstra Mobile Smart Antenna (TMSA)
- \$10 off the Yagi antenna
- \$50 off the Telstra Go Repeater

For more information go to <https://agforce.org.au> or

call Telstra on **1800 305 307** and advise you are eligible for AgForce Telstra Partner Discount and quote member number AgForce1.
